## Wigan Borough's Covid-19 Places of Reflection.

Outline plans for Wigan Borough's Covid-19 places of reflection have been unveiled following extensive community consultation.

The Wigan Council initiative will see two sites established in Wigan's Mesnes Playing Field and Leigh's Lilford Park.

The longer term plans are to use these spaces for public memorial events in the future. This project is part-funded by the UK government through the UK Shared Prosperity Fund.

See overleaf for details of how you can view the plans and get involved.
